ADDITIONAL INFORMATION REQUIRED (Read thoroughly before proceeding)

- To apply for Wooster need-based aid and federal aid, including federal student loans, complete the 2013-14 FAFSA on the web and this form.
- If you are applying for a Parent Plus Loan only, complete the 2013-14 FAFSA on the web and the loan application process at www.studentloans.gov. It is not necessary to submit this form.
- Wooster merit scholarships awarded at admission are automatically renewed and do not require completion of the FAFSA or this form.

Because of changes to the FAFSA this year, the College is **NOT** requiring copies of 2012 federal income tax returns and W-2 statements with this aid application. Tax returns will be requested from families as needed and prior to review of any special circumstances. Your application is complete when we receive this form and your FAFSA electronic report. If your application is submitted late, you may receive less aid because of limited funds.
