THE COLLEGE OF
WOOSTER

We look forward to having you as an overnight guest at The College of Wooster. Overnight visits are a great opportunity to experience campus life at Wooster and discover if Wooster is a "good fit" for you! Make the most of your time on campus and explore the many academic, social and residential options that Wooster offers. Ask questions, look around, and don't be shy. If you need anything, please don't hesitate to contact the Admissions Office during your stay!

To ensure the best overnight experience possible please keep the following in mind:

- When possible, the Office of Admissions attempts to match overnight hosts and prospective students based on common interests. Even if your host does not share exact common interests with you, feel free to ask questions and seek out opportunities with your host to learn more about what interests you most (ask that you meet students in the residence hall, in a favorite study/hang-out spot, etc.).

- The College of Wooster offers several housing options on campus including residence halls and program houses. As an overnight guest you will be staying in either a residence hall or program house based on where your host lives. It is likely that he/she has a roommate or housemates.

- Group projects, tests, papers, and quizzes are a daily part of college life. Hosts may need to spend a portion of their time during your stay on these items. You may want to bring a book or some of your own homework to work on during these times.

- Have fun and get to know a variety of students on campus!

Items to bring for your overnight:

- Sleeping Bag and Pillow (please keep in mind that you may "camp out" on the floor)
- Clothes suitable for Northeast Ohio weather
- Toiletries and Towel
- Homework/Book
- Small amount of spending money (up to 3 meals will be provided during your stay)

Please take a few minutes to review the following visitation policy. If you have any questions about this policy or anything else, please contact the Admissions Office at 800-877-9905 or 330-263-2322**.**

The visitation Policy must be signed and returned to the Admissions Office upon your arrival to campus. We cannot permit the students to stay on-campus without this completed form.
