***All officers are for the 2010-2011 school year.** The primary contact (an underclassman) will be the person that Campus Council and the Umbrellas will be in touch with during the funding process.

In order to apply for funding from Campus Council, please complete all following tasks, and turn in all paperwork to the Student Activities Office in Lowry Center by Noon on March 1st.

- Make sure a current Advisor Contract and Charter are on file.
- Attend a mandatory information session on Monday, February 8th at 5pm in Lowry 119, or Tuesday, February 9th at 11am or 6:30 pm in Kauke 038.
- Attach your group's budget proposal to this form for submission. Understand that the more detailed the budget proposal, the better the chance of acquiring the requested amount. List requests in order of priority.

This year not all groups will participate in a budget hearing with one of the Umbrella Committees or Council's Budget Committee. Interviews will be set up when the Umbrella Committee has questions about the request. Groups not contacted for an interview can request one to better articulate their proposal.

Please note that while Campus Council is the primary funding agency for student organizations there are many other areas across campus that have programming money in their budgets. They provide financial support for programs of student organizations that meet and further their goals.

If you have any questions, please email rrodda@wooster.edu or cbriggs10@wooster.edu.
