

ACROSTICS

An acrostic is a series of written lines in which the first, last, or other particular letters form a word or phrase.

Directions:

1. After defining the **Terms to Know** list of words, create an acrostic based the name of the second largest continent. Include the definitions in your design.
2. Then, from the terms, create an original acrostic.

Terms

Definitions

BONUS Acrostic:

And so on...

KEY

Abstract - Expression of a characteristic apart from any specific object

Form - The external shape of an object

Raffia - The fiber of palm leaves

Initiate - To introduce an individual to secret knowledge of a society

Context - A set of clarifying facts that surround a concept or term

Aesthetics - Pertaining to a sense of beauty

Also:

Function - The purpose for which something is designed.

Students are invited to create an original BONUS acrostic.
