

"Bridging Your Liberal Arts Education with Your Career Journey"

Mathematics and Computer Science

Web Resources

Liberal Arts Career NetWORK

(<https://lacn-csm.symplicity.com>) Twenty-eight colleges share this database that provides an extensive listing of internships specifically designed for liberal arts students. Students may use filters such as "Computers, Education, High Tech, and Technology" when sorting by industry. Listings are continually updated.

Spotlight on Careers

(<http://www.spotlightoncareers.org>) A collection of career-specific web guides developed for the liberal arts student. The topics that best fit Mathematics and Computer Sciences majors are: "Computers and the Internet, Federal Government, Consulting, and Insurance." Links to jobs and internships as well as tips and strategies on job hunting are included within each site. Access to this site is limited to students in participating colleges only.

Career Search

(<http://v2.careersearch.net//client>)

Career Search provides fast Web access to over 4 million key contacts, including organizational descriptions, addresses, names, titles, and many e-mail addresses. (Client Referral: Wooster 1866, Username and Password: wooster)

Current Jobs for Graduates

(http://graduatejobs.com/sub_login.htm) Listed under their Current Jobs series, this site provides actual postings of jobs appropriate for entry-level positions. Of specific interest would be the "Liberal Arts, Management & Business, and International" areas. (Username: collwooster, Password: cs44691)

USA JOBS (<http://www.usajobs.gov>) Official site for U.S. Federal Jobs and employment information.

GradSchools.com (<http://www.GradSchools.com>)

The most comprehensive on-line source for graduate school listings. Degree sought is the most useful filter.
