

**TEAM MEMBERS EVALUATION FORM**

Do *not* put your name at the top of this form, but *do* include your name in the list of team members below.

You have worked together with other students in preparation for a comprehensive case analysis. Please rate yourself and the other team members on the relative contributions made to preparing and presenting the case. Your ratings will be kept confidential and anonymous. Be honest in your evaluation. It is important that all members contribute to the team's effort and that none free-ride on the work of others.

Rate each team member on each category and then total the scores at the bottom of the form. Write any additional comments that you care to make in the space below or on the back of this sheet. Use the following scale in your ratings:

- 5 = Superior contribution.
- 4 = Above average contribution.
- 3 = Average contribution.
- 2 = Below average contribution
- 1 = Weak contribution
