| March 18-22 | NMUN Conference | New York | N/A |
| April 1 | Conference Debriefing and Elections | Lowry 119 | 5:30-6:30 |

Notes:

- Deadlines like position papers and committee selections are set deadlines. Failure to meet these on time will result in removal from the traveling team.
- There is a 2-strike policy in place with regards to the traveling team. As traveling team members are representatives of the College, we must maintain high standards of behavior. The following are ways to receive a strike: unexcused absence, lack of preparedness for meetings, behavioral issues, and other situations that may arise on an individual basis. The first strike will result in a warning and a discussion with the officers and/or the advisor. If a second strike is incurred, the team member will not travel to the Conference.
- Those who make the traveling team are expected to attend all of their committee sessions at the Conference. Absence from two or more committee sessions will automatically disqualify a team member from making the traveling team next semester. Tardiness to committee sessions will also be penalized.
