

Physics 204 Foundations of Physics Spring 2007

Homework Assignment #9 due Wednesday, April 11 in class.

HR&W Chapter 29 “Questions”: 2, 8

HR&W Chapter 29 “Exercises & Problems”: 5, 11, 28, 33*, 36, 39*, 44

Remember to EXPLAIN your answers to the questions.

Problems 33 and 39 are challenging, but step-by-step assistance is available at the textbook website (linked from my page). You will **learn the most** if you try to work the problem on your own as much as possible, and only check the website when you are really stuck.
