

Student Meal Plans 2011-2012

Dear College of Wooster Student,

It is time to select a meal plan for Spring Semester of the 2012 academic year. The Meal Plan choices each incorporate a mix of traditional, all-you-care-to-eat meals in Lowry dining hall, and Flex Dollars that can be spent like cash to purchase food and drinks at campus food locations.

Here is a quick overview of how the meal plans work: The cashier at Lowry Center Dining Hall, Kittredge, or Pop's Sub Stop will swipe your card at the dining hall entrance or service counter, removing one meal from your Meal Plan balance. If you desire something other than what is being served in the dining halls, you can go to Mom's Truckstop, the Old Main Café, Macleod's coffee bar and convenience store, or Scot Dogs mobile sandwich cart (when available) and select what you would like ala carte, using your Flex Dollars as payment. Flex Dollars spend like cash, allowing you to spend as much or as little as you would like every time you use it. The cashier in Mom's, Old Main Café, Macleod's, or Scot Dogs will ring up your order and swipe your card, removing the amount of Flex Dollars to cover the cost of your order. Remember that the meal swipes in a Meal Plan are for Lowry and Kittredge dining hall meals, and Pop's Sub Stop only. Flex Dollars can be used to make purchases at all locations.

Prior to each semester, all students are asked to select a meal plan from the available choices by returning a completed Meal Plan Selection Form to the Campus Dining Services office. Students can change their meal plan during the first 10 days of each semester by submitting a newly completed Meal Plan Selection Form to the Campus Dining Services office. Students who do not make a choice prior to the semester beginning (first day of classes) will automatically default to Plan A. Students may change their meal plan choice during the first 10 days of each semester (deadline for changing meal plans is 4 p.m. on January 25, 2012).

Meals are expressed in number of meals per semester, and are not limited to number of times per day or week they can be used. Neither the unused dining hall meals nor the unused Flex Dollars will roll over from semester to semester or year to year.

Please feel free to contact our office by calling 330-263-2318 if you have any questions.

Sincerely,

Chuck Wagers

Director of Campus Dining Services
