
Biography

Michelle Stacy

President, U.S. Commercial at Keurig Green Mountain, Inc.

Ms. Michelle V. Stacy served as the President of U.S. Commercial at Keurig Green Mountain, Inc. (formerly Green Mountain Coffee Roasters, Inc) from May 8, 2013 to September 28, 2013. Ms. Stacy served as the President of KBU at Green Mountain Coffee Roasters Inc. from November 3, 2008 to May 8, 2013. Ms. Stacy served as the Managing Partner of Archpoint Consulting from October 2007 to October 2008. She was President of Keurig, Incorporated since March 11, 2008.

She joined Keurig with more than 20 years of experience as a Senior Executive in Marketing and Global Business Management with The Gillette Company. While at Gillette, Ms. Stacy was Vice President and General Manager of Global Professional Oral Care, and for the Parker and Waterman brands. Ms. Stacy was employed by The Gillette Company from December 1983 to October 2005. She held positions at Parker Brothers, Clairol and Richardson-Vicks. She served as the Vice President and General Manager of Global Professional Oral Care with Procter & Gamble (P&G) from October 2005 to October 2007.

During her career, she has managed the integration of several acquisitions. In her assignment at P&G, Ms. Stacy was responsible for the global professional activities for the Crest and Oral-B brands, managing over 700 people in over 70 countries. She has been Director of iRobot Corporation since August 2014. She serves as Director Advisor to The Cambridge Group (an AC Nielsen Company). She serves as Director of Tervis Tumbler Company and Young Innovations Inc. She holds a BA in Liberal Arts from Dartmouth College and an MBA from Kellogg School at Northwestern University.
