

PELLA COLLECTION

The Pella Collection is located in several areas on campus. The materials located in Special Collections are listed below.

1. Thirty-five boxes located in L1 oversized area were brought here from Mateer Hall. Denise Monbarren coordinated this with Vivian Holliday (archaeology) and Kitty Zurko (director of Art Museum). The inventory of those boxes is located in this binder. No artifacts are located in our area.
2. Michael DiPaolo, class of 1999, completed an I.S. on the collection and a copy of his two-part I.S. is located here. It is call number Spec Coll LD6221.8.D56 1999
3. CONSORT lists Pella in Jordan 1 and Pella in Jordan 2. These are located in the main stacks as well as copies in Special Collections. The call numbers are Spec Coll DS154.9.T3 1982 and Spec Coll DS154.9.T3P42 1992.
4. Faculty files on Robert H. Smith , Miscellaneous files on Pella (including cross references to *Wooster Magazine* and the College of Wooster Publications), and Donor files on the Pella Collection are located in Special Collections.

Other areas to check outside of Special Collections:

- CONSORT Libraries
- Ebert Art Center (Kitty Zurko, director of Art Museum)
- Archaeology Department (Nick Kardulias, Archaeology)
