- To apply for Wooster need-based aid, complete the **2019-2020 FAFSA** on the web and **this form**.
- If you are applying for a **Parent Plus Loan only**, complete the 2019-20 FAFSA on the web and the loan application process at www.studentloans.gov. It is not necessary to submit this form.
- Wooster merit scholarships awarded at admission are automatically renewed for up to 8 semesters, unless otherwise notified by the Committee on Academic Standards, and do not require completion of the FAFSA or this form.

We recommend that both the student and the parents (if 2017 tax returns were filed) complete the IRS data retrieval tool process on the FAFSA. Copies of 2017 federal income tax returns and W-2 statements will be requested from families as needed and prior to review of any special circumstances. Your application is complete when we receive this form and your FAFSA electronic report. **Exception – If you are selected by the federal processor for the special Verification review, you will be required to submit additional information.
