The group(s) hosting the event will be held responsible for any underage drinking, overserving of alcoholic beverages or damages to the space. It is essential that monitors and servers are cognizant of what is occurring at their event and communicating with each other to ensure the safety of all guests at the event. If there are excessive issues or disturbances to the community, the host(s) may not be approved for future registered events.

Parties can only occur between 9:00pm and 1:00am. Forms must be submitted to the Office of Student Rights and Responsibilities at least three (3) business days prior to the event. Contact Mitch Joseph, Director of Student Rights and Responsibilities, if you have any questions about this form or help planning your event.

### Use of Spaces

- Please review the list of approved spaces to ensure that the space will meet the needs of your event. A list of approved spaces for alcohol consumption and their capacity can be obtained from the Office of Student Rights and Responsibilities.
- Reserve the party space through Connect Daily (connectdaily.wooster.edu).
- The Underground can be reserved, but not through Connect Daily. Contact Julia Zimmer, Director of Lowry Center and Student Activities to reserve The Underground.
- It is essential that fire safety codes are followed to ensure the safety of all guests and hosts of the event. If capacity has been exceeded, no more guests may enter, and the monitors must clear the space to get back to approved fire code parameters.

### Safety and Alcohol Consumption

- Per The Scot’s Key, non-alcoholic beverages and food must be provided at all events serving alcohol.
- When alcohol is being consumed, it is important that food is consumed before and during the consumption to slow the rate of absorption into the blood stream. It is essential that sufficient food and non-alcoholic beverages are available to guests at all events for the duration of the event.
  - Pizza, subs, catering from Dining Services or local restaurants are all acceptable food for an event. Non-alcoholic options could include soda, lemonade, iced tea, non-alcoholic punches etc.
